Notice for Super-Light E-40 stop manufacturing

Thank you very much for your continued business. We would like to inform you about Super-Light E-40 stop manufacturing as mentioned below.

Note

1. Target product

Super-light E-40

2. Reason for stop manufacturing

According to the discontinuation of manufacturing the components of Super-Light E-40, we will stop manufacturing the main unit.

3. Manufacturing termination time

End of December 2020

(Sales of the main unit will be limited, stock only.)

4. Maintenance termination time

End of December 2023

(Depending on the inventory situation of the parts, correspondence deadline may be changed.)

5. Alternative models

Super-light E-40L
