Announcement for change accessories of Tesla meter HTM-2M

Thank you very much for your continued business. We would like to inform you that the accessories of Tesla meter HTM-2M changed as mentioned below.

Sincerely yours,

Note

1. Target products

Tesla Meter HTM-2M

2. Change point

- Due to the closure of the partner company that is the supplier of the Customized cover it has become difficult to continue supplying.

After the change, the product will be wrapped with air cushion to prevent damage during transportation, as shown in the table below.

Before		After	
			
※ Customized cover (Accessories)		※ Air cushion	

4. Others

- There is no change in the main body and probe.
- We will change as soon as the Customized cover is out of stock.
