Notice of discontinuation of nozzle set for printing machine  
 and the replacement

Thank you very much for your continued business. We would like to inform you that discontinuation of the nozzle set used for our "TP-3000 printing machine and custom-made printing machine" and the replacement as follows.

Sincerely yours,

Note

1. Target products

- Nozzle set GN2954C124 Series
- Nozzle set GN2954C202 Series

2. Change Point

We have decided to discontinue the production of the nozzle set GN2954 series due to the discontinuation of the parts. It will be changed to the replacement the nozzle set GN354 series.

Discontinued products	Replacement
Nozzle set GN2954C124 series (Inside diameter : 0.29mm Chip inner diameter : 0.12mm)	Nozzle set GN354C15 series (Inside diameter : 0.25mm Chip inner diameter : 0.15mm)
Nozzle set GN2954C202 series (Inside diameter : 0.29mm Chip inner diameter : 0.20mm)	Nozzle set GN354C20 series (Inside diameter : 0.25mm Chip inner diameter : 0.20mm)

3.Others

- There is no effect on printing quality.
- There is no problem using together discontinued product and replacement.
- We will change to the replacement as soon as the GN2954 series is out of stock.
