

February 2016

Dear All Business Associate,

This is to inform you that our company has concluded a capital and business agreement with Alconix Corporation (becoming a consolidated subsidiary).

Alconix Corporation is a trading company with strengths in the field of non-ferrous metals, and is listed in the Tokyo Stock Exchange First Section. In recent years, it has strengthened its advancement into the manufacturing sector, centered around its group companies Ohkawa Corporation, Ohba Seiken Co., Ltd., Tokai Yogyo Co., Ltd., and Univertical LLC in USA, with the aim of realizing “an integrated non-ferrous metals company that combines trading and manufacturing capabilities.” Our company has been added to the Alconix Group as part of this policy.

With this alliance, utilization of the Alconix Group’s diverse network becomes possible and we are confident that this will lead to an even higher level of customer satisfaction.

The President & CEO will not change, and there will be no changes whatsoever to our current management policies, Sales policies, production and delivery systems, transaction terms, etc.

I hope that these changes will not affect our relationship and that you will continue to deal with us into the future.

Yours faithfully,
Keigo Nishimoto,
President & CEO
Marktec Corporation
