

Dear Valued Customer:

December 2018  
MARKTEC Corporation  
Quality Assurance Dept

Notice for Super-Light D-10B stop manufacturing

Thank you very much for your continued business. We would like to inform you about Super-Light D-10B stop manufacturing as mentioned below.

Note

1. Target product

Super-light D-10B

2. Reason for stop manufacturing

According to stop production of component parts (lamps, stabilizer etc.) by shifting to LED type from metal halide lamp type and our supplier discontinue business, stable supply is quite difficult at the moment. We decided stop manufacturing of Super-Light D-10B and announce to customers.

3. Manufacturing termination time

End of December 2018

(Sales of the main unit will be limited, stock only.)

4. Maintenance termination time

End of December 2023

(Depending on the inventory situation of the parts, correspondence deadline may be changed.)

5. Alternative models

Super-light D-10L, Super-light D-10LS
