### Notice of change the delivery form for Super-Light E-40L

Thank you very much for your continued business. We would like to inform you that We will change the delivery form for Super-Light E-40L as mentioned below.

#### Note

#### 1. Target product

Super-light E-40L

#### 2. Content of changes

Until now, Super-light E-40L was delivered with the exhaust ducts attached to the Lamp unit, but we have decided to remove and pack the exhaust duct so that it will not be damaged by impact during transportation. Please install the exhaust duct according to the enclosed assembly manual.

Before	After
 <p>Lamp unit (exhaust ducts attached)</p>	   <p>Exhaust duct cover Pillars,Roundhead screws</p>

#### 3. Other

There is no effect on product quality.

We will change product form it is manufactured from March 2020.
