

Dear Valued Customer:

November, 2022
MARKTEC Corporation
Quality Assurance department

The notice of changing the button of Parts Cleaner FT Jumbo Aerosol 840 type

Thank you very much for your continuing business. We would change a raw material for FT Jumbo 840 as below reasons and are planning to ship out based on the following date as mentioned.

Sincerely yours,

Note

1. Product Name

Parts Cleaner FT Jumbo Aerosol 840 type

2. Reason for change

We needed to use a new replacement due to using the current button is discontinued.

3. New replacement

The white button color turn into milky white and the form look like the following picture.

- * The appearance will change slightly but will be no impact on the product performance and quality.
- * The design is the almost same.

4. The changeover schedule

We will be able to dispatch new one after our standard item is run out and will start to delivery it around March in 2023.
