Notice Regarding the Attached Tube of Parts Cleaner FT JUMBO Aerosol 840 Type

Thank you very much for your continued business. We would like to inform you that the method of attaching the tube for the Parts Cleaner FT JUMBO Aerosol 840 Type will be changed, as follows.

Sincerely yours,

Note

1. Product Name

Parts Cleaner Degreasing Cleaner FT JUMBO Aerosol 840 Type

2. Reason for the Change

To prevent deformation and damage to the attached tube.

3. Details of the Change

- Attachment Position (**arrow symbol**): Bottom ⇒ Top
- Fixing Points (**square symbol**): 1 point ⇒ 2 points

Appearance before change		Appearance after change	
Attachment Position	Fixing Point	Attachment Position	Fixing Point
			

4. Applicable date

As soon as stock runs out, we will change the method of attaching the tube. Shipments are expected to begin around September 2025.

5. Additional Information

- This change does not involve any modifications to the product's volume or ingredients, and it does not affect the product's performance.
- If you have any questions or concerns, please contact our sales representative.
